Tennis Court Reservations

Here are a few tips on using the new reservation system:

- Tennis court reservations can be made from the Tennis activities page, The Tennis Courts amenity page, Resident Resources page, Resident Tools menu, or Manage Account screen.
- Reservation times are divided into 15-minute increments. Click a slot to select your start time, and then use the drop-down box on the pop-up screen to select your end time. A max of 2 hours may be selected. If you have an event that requires a longer time email tennis@clubatbrookhaven.com
- You do not need to specify what the reservation is for (lesson, doubles, etc.)
- The annual optional Ball Machine/Equipment Use fee is now paid online.
- The ball machine is now its own reservation. You reserve a court and the ball machine separately, if using. Courts and Ball Machine availability are shown on the same reservation screen.
